CONSENT AND RELEASE

I declare that I have read the information regarding the Trans Pacific Union Camporee to be held on Dec 16-21, 2019. I also understand that it is a condition of participation to accurately complete the *Medical Information and Consent and Release* declared in this form.

I am aware that a Camporee involves a range of normal Pathfinder challenge activities. I understand that this Camporee will include water activities, rafting (non-rapids) and a water slide (all water activities supervised by a Water Safety Team); a series of wide games for team building; as well as a series of team challenge games similar to normal Pathfinder camping activities. I understand that there is an element of risk involved. I agree to be responsible to understand and follow the safety guidelines for each activity and to follow the instructions of the activity leaders. I acknowledge I may refuse to participate in any part of the activities I feel apprehensive about, (if this does not endanger myself or other participants and leaders).

I agree not to upload, share or disseminate any images or content that is not in harmony with Christian principles. I understand and accept that I jeopardize my right to be in attendance at the Trans Pacific Union Pathfinder Camporee if I breach this issue of privacy.

I agree that if I suffer injury or illness, the organizers will make every effort to contact the parent/guardian/next of kin by way of the details provided should such a situation arise, and can arrange medical treatment and emergency evacuation services, as they deem necessary for my safety or wellbeing.

I am aware, in signing this document, of the risks and demanding nature of the Trans Pacific Union Pathfinder Camporee and am willing to accept these risks and agree to release, to the full extent permitted by law, the **SEVENTH-DAY ADVENTIST CHURCH (TPUM)** and/or its employees and agents from responsibility for any injuries or death which I may suffer as a result of participation in this event.

By submitting this application form, I agree to give the Trans Pacific Union of the Seventh-day Adventist Church the irrevocable right and unrestricted permission to take photographs and/or video that may contain my image, statements, or testimonials which may be used in any promotional and marketing publications, film, video or multimedia productions with no remuneration to myself and waives and discharges the Trans Pacific Union of the Seventh-day Adventist Church from any and all claims arising out of or related to my attendance at the Trans Pacific Union Pathfinder Camporee.
