BIRTHDAYS

9th January - Joy Draper

We hope you have a wonderful birthday on Tuesday Joy and a blessed and enjoyable 2024.

The sunflower keeps its face sunward. If it is turned from the light, it will twist itself on the stem until it lifts up its petals to the bright beams of the sun. So let everyone who has given their heart to God turn to the Sun of Righteousness and eagerly look up to receive the bright beams of the glory that shine in the face of Jesus.

The Incredible Journey Presents: Hostage Hero

Atlanta is the capital of the American State of Georgia. It's a growing and prosperous city that's home to Coca Cola, CNN, and Delta Airlines. But in March 2005, this booming metropolis went into lockdown. People were afraid. They hurried home and stayed behind locked doors. A killer was on the loose. Desperate, heavily armed and with nothing to lose, he took a young woman, Ashley Smith, hostage. Her story is powerful and inspiring. Don't miss it.
