The Incredible Journey presents:

Tony McLellan: The Man Who Made Millions... And Gave It Away

Tony McLellan began his life out in the Australian bush. His family-owned 'Jumble Plains', which in its heyday was a successful property in the Tullamore District. Tony's journey from the Australian bush to the very pinnacle of international success is both fascinating and inspiring. Perhaps the most significant aspect of Tony McLellan's story is his encounter with Jesus and the subsequent changes that took place in his life. These changes made an impact on countless lives through the Christian ministries that Tony founded and actively participated in. Join us this week as we take a look at the action-packed life of Tony McLellan and how he turned success into significance.
