The Incredible Journey presents:

Titanic – Endless Love

Considered the pinnacle of human achievement at the time, the RMS Titanic departed from London for New York on April 12, 1912. What was meant to be a 7-day journey came to an abrupt and tragic end when the luxurious ship struck an iceberg, 640 km from land. Isidor and Ida Straus, the co-owners of the Macy's department store in New York, died on board the RMS Titanic when it sunk on the night of April 15, 1912. Their love still inspires us, and it gives us a glimpse of the highest form of love - God's love.
