

MUSICIANS NEEDED FOR GENERAL CONFERENCE SESSION 2025

Attention talented singers, musicians, choirs and musical groups in the South Pacific Division! Here's a unique opportunity to minister through music and represent our division at the 62nd General Conference Session in St. Louis, Missouri, USA from 3 - 12 July 2025.

The Incredible Journey presents:

The 27 Club – I Just Need a Friend

Rock and Roll broke down walls, questioned every assumption and embraced every possibility. However, this Golden Age had a dark side. With all the money and fame came excess in every way, and out of this carnage came the '27 Club', which includes the rock stars who, uncannily, all died at the age of 27, such as Jimmy Hendrix, Janis Joplin, Jim Morrison and Amy Winehouse. What caused these stars to become members of the 27 Club? Are there any messages that can be learned for us? By understanding their lives, can we live our lives brighter, fuller, more creative and meaningful?
