Church Cleaning

Every week our church looks tidy and fresh and that's because church people give their time generously to clean it. **A BIG THANK YOU to all who make themselves available.**

However, we are in need of more people to help with the cleaning.

If you can help with vacuuming, dusting, wiping things down, cleaning the amenities or just tidying things up, **please see Jeanette Ashcroft** and offer your help. It will be much appreciated.

Maybe you could share with some others as "many hands make light work".

**Happy Birthday to
Veronika Chester
for Sabbath 6th April.
Have a lovely day.**

PRAYER TIME – You are welcome to join a prayer and praise group on Sabbath morning at 9.15 am in the Youth Sabbath School room. Everyone welcome.

The Incredible Journey presents: The Bible – The Greatest Book Ever Written

The Guinness Book of Records estimates that over 5 billion copies of the Bible have been printed throughout history. If you've ever picked up one of these copies and found it to be unlike any other book, don't be too quick to dismiss it.

You might have questions about who wrote it, and when and where? Are there multiple authors? Is it an original work or a copy? Perhaps the most important question is why so many people regard the Bible as sacred, calling it God's Book or The Word of God. Is there a compelling reason for this belief? These are all valid and significant questions. So, let's take a closer look at the greatest book ever written.

Daylight Saving Ends

Remember to turn your clocks back 1 hour on Sunday 7th April at 3.00 am.

3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN every week on Sundays at 7:00pm, repeated Tues., 7:00pm and Wed., 9:00am. (Note change of times due to daylight saving ending).

You can also watch online at www.3abnaustralia.org.au, or on the free phone App.

The guest this Sunday is Rosemary Malkiewicz (Ebenezer stones). Today she shares with you some of her Ebenezer Stone experiences with God. She hopes to bring you encouragement and even new insight into how God works in our lives.

Next Sunday Dr Gary Krause, Director of Adventist Mission joins us via Skype to tell us about the work his department is doing around the world.
