7.00 pm Tuesday 30th April

All church departments and Wye
Community Hub Inc. will be
presenting reports and future
plans. Voting will be restricted to
church members but all Wye
Church attendees are welcome.

Sabbath Blessings

Church Cleaning

Each week our church
is fresh and clean
because people give
their time generously to clean it.

**A BIG THANK YOU to all who help
each week.**

**However, we are in need of more people
to help.** If you can help with vacuuming,
dusting, wiping things down, cleaning the
amenities or just tidying things up, **please
see Jeanette Ashcroft.**

It will be much appreciated.

**Maybe you could share
with some others as “many
hands make light work”.**

3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7:00pm, repeated Tues., 7:00pm and Wed., 9:00am.

PLEASE NOTE: new airing times for those going off daylight saving.

Dr Gary Krause, Director of Adventist Mission, joins us this Sunday via Skype to tell us all about the work that his department is doing around the world. Learn about Global Mission Pioneers, Mission Refocus, Urban Centres of Influence, and creative ways in which these centres are reaching people for Jesus in their local areas. You may be inspired as to what you can do to reach people for Christ in your area—or further afield.

Next Sunday is Dr Nick Kross. You can also watch online at www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.

Veteran children's Creation speaker, Margaret McKay, will be taking the Church Service at **Lakeside Church** on 13/4/24, speaking on the importance of Creation & practical tips gained from her journey of learning about & teaching Creation. After a BYO Picnic in the Lakeside Church Hall, Mrs McKay will run a meeting at 2:30pm in the Church on Dinosaurs. Do you want to find out where dinosaurs fit in the Bible? Adults, would you like to know what to say when a child says their daycare/preschool/public school/uni/television is telling them dinosaurs lived millions of years ago & evolved into birds? A free Creation resource pack will be given to every family at the afternoon meeting.

THE INCREDIBLE JOURNEY

Unfortunately due to the US Golf Masters, our scheduled program, "The Cattle Empire", will not air on 9GEM this Sunday. However, you can still watch the program on our website <https://tjv.tv/media-library/> or on YouTube <https://youtu.be/3Vy5r7NTClg>
