Wednesday – thank you

3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7:00pm, repeated Tues., 7:00pm and Wed., 9:00am.

The guest this Sunday is Pr Gilbert Cangy (Testimony). **Pr Gilbert Cangy** was born a Pastor's son. But as the family unravelled, so did his life. He was a young person in the church, but not in Jesus. As he tried to find his place in the world, Jesus showed up, and finally got his attention. As he unpacks his story, God could be speaking to your heart as well.

Next Sunday is Ethel Miman. You can also watch online at www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.

THE INCREDIBLE JOURNEY presents ...
Chernobyl – Lethal Legacy
The nuclear explosion at Chernobyl on the 26th April, 1986, was the worst man-made disaster in history. 50 tonnes of radiation were released into the atmosphere. It contaminated millions of acres of forests and farmlands causing death and destruction. The disaster provides insights into the devastating effects of sin. It also provides insights into sin's cure and reminds us that one day soon, God is going to set things right and create a new paradise-home for us.
