HEALTH)**

There's a wave of health, healing and hope rising across the South Pacific. Hundreds of new local church Wellness Hubs, expansion of the 10,000 Toes Ambassadors campaign against diabetes, and the new Lifestyle Medicine Centre at the Sydney Adventist Hospital are just a few of the ways that the Seventh-day Adventist

Church is bringing hope and healing to our communities. Please become a partner of the health promotions network by giving generously to the Comprehensive Health Offering on May 18. Thank you for your kind support.

We endeavour to INSPIRE and EMPOWER our churches to LIVE by and proclaim the HEALTH message in a contemporary, CREATIVE, credible and CARING way to all people, so they can have MORE energy, more zest for LIFE, less sickness, and greater appreciation for SPIRITUAL things, and as a result, create an environment where people from the community can GROW to their full potential in JESUS CHRIST.

## LINEAGE JOURNEY PROGRAM

We all ask three big questions in life. Where Do I Come From? Why Am I Here? Where Am I Going? Lineage is a multi-faceted educational experience that endeavours to take you on a journey showing the stories from our past heritage; the experiences, convictions, sacrifices and commitments of our spiritual forebears that make us who we are today.

The Host: Pr Adam Ramdin was born and raised in England in an Adventist home. He went to the USA at the age of 19 to study and then to work. He gained a varied experience in Bible work, literature evangelism and public evangelism and had the opportunity to work for Amazing Facts as an evangelist for several years. In 2007 he accepted a call to return to England where he has had the privilege of serving the church in a variety of capacities. He is presently the Youth Director for the North England Conference. These are wonderful programs. Take the time to have a look: <https://lineagejourney.com/>

This is part two of our look at Israel in prophecy with Pr Danny Milenkov. Considering the current conflict in the area, we look at the Evangelical perspective of Israel in prophecy regarding Armageddon, Gog and Magog, the millennium, etc., and whether or not the Bible supports those conclusions. Watch this program so you can know what the Bible says and not be deceived by erroneous conclusions concerning last day events.

3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7:00pm, repeated Tues., 7:00pm and Wed., 9:00am. The guest this Sunday is Pr Danny Milenkov (Israel in Prophecy Part 2). Next Sunday is Dr Jacob Prabhakar.

You can also watch online at [www.3abnaustralia.org.au](http://www.3abnaustralia.org.au), 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.

**The Incredible Journey presents:** The Soldier Who Defied Hitler – Franz Hasel

In 1939, Franz Hasel, a 40-year-old pacifist, received a draft summons, leading him to serve as a Private in the Pioneer Company 699 of the German army. Despite donning the uniform, he opposed the Nazi regime and risked his life to warn villagers of impending danger from SS death squads. In a daring move, he even informed his sergeant that Hitler wouldn't win the war during the advance into Russia. These actions amounted to treason, punishable by death, yet Hasel survived. His story unfolds as a testament to his defiance against societal norms and his belief in a higher law amidst the chaos of war.
