**LINEAGE JOURNEY PROGRAM**

Lineage was birthed on the steps of the British Museum in 2016 when Clive Coutet approached Pr Adam Ramdin with an idea. At the time Clive was a freelance videographer and had been reading through the book The Great Controversy. During his reading, he went online in search of good quality videos that could provide additional information about what he was reading but unfortunately, he found none. It was at this point that he decided to film some of the sites of historical significance mentioned in The Great Controversy that are located in and around London. However, before long the project expanded beyond London to other locations in the UK such as Lutterworth, Oxford, Edinburgh, and then further afield to continental Europe. These are wonderful programs.

There are stories in the Bible where God gave special skills to certain people for His work, such as Bezaleel in the building of the desert tabernacle. Our guest today is another man that God has especially invested in—through amazing skill in performing cataract surgery. Dr Jacob Prabhakar, from Eyes For India, tells his story of the way God has led in his life and how, when he prayed for skill in helping restore sight to poor people, God amazingly answered his prayers. You will be blessed as you listen to this enthusiastic man of faith.

3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7:00pm, repeated Tues., 7:00pm and Wed., 9:00am. The guest this Sunday is Dr Jacob Prabhakar. You can also watch online at [www.3abnaustralia.org.au](http://www.3abnaustralia.org.au), 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.

### The Patriot - Thomas Meagher

Thomas Meagher was an Irish Nationalist who participated in the infamous Young Irelander Rebellion in 1848. The rebellion was a desperate attempt to gain independence from the British Crown and to set up an Irish republic. For his role in the rebellion Meagher was sentenced to penal transportation to Van Diemen's Land (Tasmania) in Australia. He managed to escape and make his way to New York, where through sheer force of will and determination he educated himself and began a career as a lecturer and writer. He fought for the Union during the American Civil War and later became governor of the Territory of Montana. Meagher's story is one of grit and perseverance. Join us this week as we look at how our mindset can make a difference in how we achieve our goals.
