Sometimes we can take a road in life that WE think will bring glory to God. Our motives may seem good, but those very things can become a snare. **Nwamiko Madden** was raised in a Christian home and always had a strong sense of God in his life. But that didn't keep him from venturing into a place where he could be trapped by Satan. He sought fame, thinking he would be able to witness for God more effectively that way. But God stepped in to save him and closed the door. Then He opened a door for a new ministry for Miko. Listen to his story. It may help YOU stay away from Satan's deceptive traps.
