The Incredible Journey presents: John Bunyan
- The Prisoner's Journey

Join us as we unravel the life of one of the best-selling authors in history, John Bunyan, the man responsible for penning "The Pilgrim's Progress," a literary masterpiece that has sold more copies than almost any other book in publishing history, second only to the Bible itself. Bunyan's early years were far from the conventional path to fame - he came from a poor, unknown family, mending pots by day and getting into trouble with local gangs by night. But his destiny took an unexpected turn when he found himself behind bars, not for his hooliganism, but for something far more profound.
