'ILLUMIN8" CHALLENGE – RAISING FUNDS FOR EYES FOR INDIA CHARITY

ACE lab would like to invite you to a fun but challenging event on Saturday night **August 31**, starting at 6pm. The event is called the **"Illumin8" challenge** and involves a run/walk with a difference - completing one or more laps of a 5.25 km course around the tracks on the Avondale Estate. Torches are required.

The event is about **"Bringing Light to the Darkness"** and is a fundraiser for the **Eyes for India** charity. Our aim is to raise \$30,000 to restore sight to under-served people living in India. Here is the direct link to the website: <https://illumin8-challenge.raiselysite.com/signup>

All are welcome to join (young and old). There is an option for those wanting to walk only on pavement and less distance! We would love to see you there to help us bring 'Light to the Darkness' for many people!

THE INCREDIBLE JOURNEY

Moses – A Hero for Our Time – Part 3 The Exodus

On the shores of the Red Sea, God delivered the Israelites and judged the Egyptians. As the Egyptian armies pursued, God parted the waters, allowing the Israelites to cross on dry land. When the Egyptians followed, the waters collapsed, drowning them. God then led the Israelites through the wilderness, performing many miracles. Despite these miracles, the Israelites frequently complained, with Moses bearing the brunt of their frustration. Yet, Moses remained faithful to God and cared for the Israelites like a shepherd for his sheep.
