It's interesting how God brings people together, and even changes their chosen career path. It is also good to see how God turns these changes into worthwhile life adventures. **Vic & Merilyn Trosky** can testify to this. God has given them fulfilling work to do for Him, both in their working lives and retirement years. Enjoy listening to their story as they give their testimony that "following God is the most worthwhile thing you can do with your life".

3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 8:00pm, repeated Tues., 8:00pm and Wed., 10:00am. The guests this Sunday are Vic & Merilyn Trosky (testimony). Next Sunday are Ray & Don Boehm. Apart from the VAST satellite, you can also watch online at www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.

The Incredible Journey presents:

Messiah - Handel's Masterpiece

Music touches the soul, and one of the most famous musicians of all time was George Frideric Handel. He was a prolific writer of operas and oratorios. Handel's Zadok the Priest has been performed at every British coronation since 1727. His orchestral works Water Music and Music for the Royal Fireworks are also incredibly popular and are often performed at the BBC Proms. But he is probably most famous for his Messiah, an oratorio that is staged all around the world during the Christmas season. The stirring music causes people to leap to their feet, inspired by the magnificent words and harmonies. Join Gary Kent as we find out more about George Frideric Handel and his music, which has changed the world.
