28 students from Darling Down Adventist College and their teachers participated in supporting our community last Thursday. Each year the school does a trip south and they include our **Wye Community Hub** to provide a hands-on experience on how to do community service. They filled 200 bags with cleaning products donated by Trendpac, plus other roles. Thanks to all involved.

Wyee Community Hub

50 volunteers attended training this week, as we work together as a team to build capacity and support our community. Thanks go to all our management team who led out and presented our values and how we plan to move forward. Thanks to all volunteers. The kindness shown by all is very special.

This is **Rod Kingston's final Sabbath with us!** He's finally returning home to Belize, Central America. We'll miss you, Rod! This is a message that he'd like included: "Here's an opportunity to do this, by giving out *The Incredible Journey* fliers. While out shopping, if time allows & I meet someone who's not rushing, maybe sitting down, I say, 'Excuse me, here's some well-produced programs, interesting & helpful. They cover a wide range of subjects, & you may see them on Channel 9 or You Tube'. Most folk will accept it and thank you. Who knows, it may be the seed that bears fruit! There's plenty of these fliers at the back of the church." God bless you, Rod!

The Incredible Journey presents: **C.S. Lewis – Life Story of the Hope Bringer**

Before he turned ten, his mother died of cancer. So, a young C. S. Lewis turned his back on God and became a militant atheist. Even being almost killed in the trenches of the Somme in 1918 didn't change his mind. Yet from that angry and confused young man, Lewis went on to become someone who stood up and brought hope to his nation in the darkest hours of World War II. What made C. S. Lewis change his mind and go on to become one of the twentieth century's strongest advocates for Christianity? Let's find out the true story of C. S. Lewis.

3ABN 1-hour Interview

We can be raised to believe in Jesus then, as we get a little older and, as we suppose, a little wiser, we may turn away from Him. We can become lazy in prayer, reading our Bibles, and going to church to worship God. The world takes hold of our hearts, and we change leaders. But God doesn't forget us. He still works to bring us back. Sometimes it is the still, gentle voice of the Holy Spirit that breaks through our stupidity and worldly wisdom. Other times, God allows something more drastic to get our attention. This was the experience of **Dr Esther Chang**. Join us as we listen to her amazing story of miracles when Satan tried to stop God from reaching her, then stop her from following God. 3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 8:00pm, repeated Tues., 8:00pm and Wed., 10:00am. The guest this Sunday is Esther Chang (Testimony). Next Sunday is Pr Joseph Molu. Apart from the VAST satellite, you can also watch online at www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.
