The Incredible Journey presents:

Birds – Feathered Wonders of the World

Since the dawn of time, man has been fascinated by flight. From Leonardo da Vinci’s visionary sketches to the Wright brothers’ groundbreaking achievement, the longing to soar through the skies has been unquenchable. Created by God on the fifth day of creation, birds are graceful, acrobatic, and gifted with such strength and speed that we are often awed by them. We invite you on an exciting journey into the world of nature’s most graceful, intelligent, and powerful aviators. Discover their dazzling colours, remarkable abilities, and fascinating lifestyles as we explore what makes them true marvels of the sky.

3ABN 1-hour Interview

From humble beginnings in a highland village, then choosing the wrong group of friends as a teenager, no-one would have thought that God had a plan for **Joseph Molu**. But God woke him up through a dream. That was his first turning point. Under God's guidance, he became a pastor without having ministry training— another turning point. Then God gave him yet another turning point when he learned about God's true Sabbath. How did that happen, and who else did he bring into God's light? Listen to his exciting story of standing up for the truth that God had revealed to him. 3ABN Australia’s 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7:00pm, repeated Tues., 7:00pm and Wed., 9:00am. **PLEASE NOTE: new airing times for those going off daylight saving.** The guest this Sunday is **Pr Joseph Molu** (Testimony PNG). Next Sunday is Jim Rennie. Apart from the VAST satellite, you can also watch online at www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.
