Today's Offering

Comprehensive Health Ministry: There's a wave of health, healing and hope rising across the South Pacific. Hundreds of new local church Wellness Hubs, expansion of the 10,000 Toes Ambassadors campaign against diabetes, and the new Lifestyle Medicine Centre at the Sydney Adventist Hospital are just a few of the ways that the Seventh-day Adventist Church is bringing hope and healing to our communities. Please become a partner of the health promotions network by giving generously to the Comprehensive Health Offering today.

Wye Community Hub

It continues to attract many people with numbers still up around 300+, which includes the volunteers, Doing Life Together and

Food Support Program. This is a huge privilege for our church to have so many from the community coming. Sanitarium recently donated one pallet of food, and around 15 pallets each week are purchased from Foodbank. Foodbank donated 24 gift packs that were given to mothers for Mothers Day, which was a real blessing to them. The markets continue to be well attended and between 80 - 100 food hampers are provided each week.

Combined Church Lunch Today

Everyone is welcome to stay

After lunch, enjoy some music around 2:15pm, followed by **Explore**. We'll be discussing and sharing about why Jesus' coming is important to you. If you would like to participate in sharing, prepare 4-6 Bible texts to back up your stand on this very important matter. Each person will be given 2-3 minutes to share "Why I choose Jesus".

Men's Monday

Ken and Leon, busy with the chainsaws

A new challenge this week was to cut up a large amount of fire wood, which was a joint Wyee Community Hub and Church project to generate some funds for the church. Three chainsaws and 8 men produced around 10 tonnes of fire wood, which was a huge effort. There's more to do next Monday & all welcome from 10am. Roll up your sleeves!

The Incredible Journey

Joseph: Ruler of Egypt: Part 3

After two long years in prison, Joseph's life changed in a single day. From a forgotten slave, he rose to become the most powerful man in Egypt, second only to Pharaoh himself. God used Joseph to interpret Pharaoh's troubling dreams, foretelling seven years of abundance followed by seven years of severe famine. When the famine struck, Joseph opened the royal storehouses, selling grain not only to Egyptians but to neighbouring nations as well. Among those who came seeking food were Joseph's ten brothers. In that moment, Joseph saw, once more, the hand of God guiding every step of his journey. Join us as we explore Joseph's extraordinary influence in Egypt, his emotional reunion with his family, and the unwavering faith that carried him through betrayal, prison, power, and reconciliation. – 9GEM: Sunday, 18 May at 8:30 am – YouTube: Watch any time after 6:30 pm Friday, 16 May

3ABN 1-hour Interview

Do you know what the word "apocalypse" means? Is it to do with catastrophe, the end of the world, destruction? What has it to do with Genesis 3:15, or the book of Revelation? The revelation of what?

Dr Ranko Stefanovic joins us again this week to discuss the important subject of lost Eden and the New Jerusalem.

You will find this study of the Gospel uplifting and encouraging. Make sure you take notes as you will want to keep this information handy. Apart from the VAST satellite, you can also watch online at www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.
