The Incredible Journey

Martin Luther:

Man of the Millennium

Over 500 years ago, a young German monk named Martin Luther challenged the power and authority of the most powerful empire on earth. He set in motion a train of revolution, war and conflict that would reshape Western civilisation and lift it out of the Dark Ages.

9GEM: 25 May at 8:30am.

3ABN 1-hour Interview

179 years have passed since the Great Disappointment of October 22, 1844. Jesus was expected to come—but He didn't. Were those waiting deluded? Could they have been listening to God—or the devil? Did ANYTHING spiritually significant happen on that date, or is it all a hoax? In this program **Dr Allan Lindsay** takes us through the prophecies and events that led up to the expectation of Jesus return, as well as the disappointment itself. As he shows us the bigger picture, we will start finding answers to these questions, and more. Next week's program will give us more information, so make sure you watch them both to get the full picture! 3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7:00pm, repeated Tues., 7:00pm and Wed., 9:00am. The guest this Sunday is **Dr Allan Lindsay** (1844 & the Great Disappointment). Next Sunday is also Dr Allan Lindsay. Apart from the VAST satellite, you can also watch online at www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.

The Lift Project: Mental Health Improvement Workshops

 Sessions run on Sunday evenings 7pm to 8:15pm May 25 to August 10.

 Living Abundantly Church Complex at 72 Bousfield St, Wallsend

 Class capacity: 25 | Cost: \$50

The Lift Project is a life-style based wellbeing program that uniquely brings together science-based strategies from research in the fields of Neuroscience, Lifestyle Medicine, and Positive Psychology.

The series of 10 sessions is presented by internationally recognised wellbeing expert, **Dr Darren Morton**, and explores well-being enhancing topics over 10 weeks (with an emphasis on mental wellbeing) that are designed to lift individuals, significantly improving mental well-being.
