Our Wye Community Hub

Mr Dan Rapacholi, MP, Federal Member for Hunter visited last week and this is what he posted:
“Great to drop in to the Wye Community Hub this week and catch up with some of the amazing volunteers who keep this place running. The Hub is more than just a building, it’s the heart of the community. Whether it’s helping families doing it tough, providing a space for locals to connect, or running programs that support mental health and wellbeing, the team here is doing incredible work. Had a good yarn with the volunteers, saw some of the great projects in action, and listened to what locals want to see more of in Wye. There’s no better way to get things done than by listening to the people who live and breathe this community every day. Thanks to everyone who welcomed me. I’ll keep fighting to make sure places like this get the support they need.”

Mr Repacholi is planning more visits to the Wye Men’s Monday Men’s shed and the Deliver Life Together graduation later in the year.

Important Notice: We’re starting a trial period from today, with our Bible Study starting at 10am, then a refreshment break before Church. Our trial will conclude at our next Business Meeting (August 19), where the church will vote on the change being permanent.

Lunch Today

Everyone is welcome – we've brought extra food, so ... relax and enjoy.

Congratulations!

Alla, a community volunteer at our Wyee Community Hub. She's been helping for 2 yrs, always has a smile, and received her Australian Citizenship last week - wishing you well with your future in Australia, Alla!

Happy Birthday

for Thursday
26th

No Explore program this afternoon - we have a busy week with our reThink programs. We'll resume as normal next month.

The Incredible Journey

**Record Breakers:
Nevill & Bubsie**

The First to Drive Around Australia

In August 1925, two young adventurous missionaries set off from Bickley (near Perth), WA, in their small Citroën with a plan to drive to Darwin, selling books and collecting donations along the way. If they made it that far, they would be the first motorists to complete that journey. But adventure took on a life of its own and, by the end of the year, Nevill Westwood and the little car 'Bubsie' had driven into the history books, setting the record for the first journey right around Australia by car.

3ABN Interview

This week we talk with **Johnny Wong** about the weExplore Wellness Centre in Melbourne which is a church centre of influence. Find out how God made this place a reality, and what services are available there. What are their future plans and goals? Johnny also shares some stories about those whose lives have been impacted by this centre. If your church is wondering what can be done to reach your local community, maybe this is something that can give inspiration and guidance.

3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7:00pm, repeated Tues, 7:00pm and Wed, 9:00am. Next Sunday is Dr Gary Krause. You can also watch online at www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.
