The Incredible Journey

Defeat Of Barbarossa

Operation Barbarossa swept across Eastern Europe, from the borders of Germany, through today's Ukraine and deep into Soviet Russia towards Stalingrad. It became the site of some of the largest and most brutal battles, deadliest atrocities, and horrific conditions for Soviets and Germans alike – all of which influenced the course of World War II. The defeat of Operation Barbarossa led to the end of that war. In this program we investigate its connection with a young Australian engineer and consider the insights Operation Barbarossa provides into the Universal War, the War behind all wars that is still raging today and involves all of us, yes, even you and me.

3ABN Interview

Mission. The word conjures up different thoughts in each mind. But whichever way you look at it, mission is important to the Christian church, as Jesus told us to go to the world to spread His Good News to all people. This work must be done before He returns. **Dr Gary Krause**, Director of Adventist Mission, joins us via Skype to tell us all about the work that his department is doing around the world. Learn about Global Mission Pioneers, Mission Refocus, Urban Centres of Influence, and creative ways in which these centres are reaching people for Jesus in their local areas. You may be inspired as to what you can do to reach people for Christ in your area—or further afield. 3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7:00pm, repeated Tues, 7:00pm and Wed, 9:00am.

You can also watch online at www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.
