The Incredible Journey

King Herod:

A Legacy of Blood and Stone

He is one of the most reviled and hated men in history. He was the king of the Holy Land during the time of Jesus and is best known for ordering the massacre in Bethlehem of all male children under 2 years old. His name? Herod the Great. But Herod's cruel reputation has always hidden another side of one of the Bible's greatest villains. He was an architectural mastermind of breathtaking proportions. He built new cities, palaces, harbours, theatres, and other public buildings. He wholly rebuilt the Jewish Temple in Jerusalem. Herod built more and larger monuments than virtually anyone in ancient times, perhaps in all time.

3ABN Interview

Being brought up in the church, and thinking we "know it all", doesn't guarantee that we are close to God. When we suffer pain in our lives, it can make us feel alienated from others, and from God. Sometimes it can turn into depression, or even lead us away from God. **Melody Mason** is no stranger to such pain, but it has brought her closer to God than she would have been without the pain. She shares her testimony and how God worked in her life, in the hope that it will bring encouragement and healing to the lives of others. This program will be a blessing to many people, but especially to the single, and those who feel their relationship with God is not as close as it should be. Melody has written 3 books—how to grow closer to God through prayer, how to live by His word, and her latest book is her testimony. 3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7pm, repeated Tues, 7pm and Wed, 9am. Next Sunday is Nathan Andreoli. You can also watch www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.

Natural Remedies Workshop

Erin Keegan, NNSW Health Director's post:

“... over 50 church members & health leaders came together to learn about God's simple & natural remedies, supported with scripture, Spirit of Prophecy, & experiential hands-on workshops, with take-home poultices, cough syrups & cleaning products. Huge thanks to:

- Kate Garriga for her organisation & presentation on Cleansing Inside & Out.
- Renee Livingston for teaching us how to use those home/pantry items as such potatoes, onions, garlic, honey, cloves, charcoal, castor oil, aloe vera etc.... as effective natural remedies.
- Leoni Gardner for sharing valuable insights on nutritional medicine & intermittent fasting.
- Bruce Thompson for his practical demonstrations of 21st century hydrotherapy techniques for chest congestion, headaches & morning sickness.
- Food Pharmacy for a scrumptious plant-based lunch!

You can run workshops like these for the community as health outreach ❤️”

Seven people from our church attended – a great representation!

L-R: Richard & Peta Morris, Malcolm & Celina Humphrey, Meryl Gough, Kym Fowler and Margot Marshall.
