## *The Incredible Journey*

### **The Bible - What's In It For You?**

In 2023 the oldest Hebrew Bible in the world sold at Sotheby's New York for over \$38 million USD, making it the most valuable manuscript sold at auction. It is called the Codex Sassoon and is thought to have been written about 1,100 years ago. It is the earliest surviving example of the Hebrew Bible. However, there are older ancient scrolls and manuscripts that are even more valuable and involve amazing stories of discovery. Join us in the Bible Lands as we search for the oldest scrolls, manuscripts, and Bibles and discover the profound influence they've had on Western civilisation and cultures around the world.

## *3ABN Now*

Last week we listened to the first part of **Naomi Hanbury's** testimony. On today's program we continue with her story from the time she had the three dreams. What happened after that? Watch the program, for there are lessons we can learn from her testimony that can help us in bringing others home to Jesus. Maybe you are one who needs to come back. 3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7:00pm, repeated Tuesday, 7:00pm and Wednesday, 9:00am. The guest this Sunday is Naomi Hanbury (Testimony 2). Next Sunday are Caleb Christian & Rod Butler.

You can also watch online at [www.3abnaustralia.org.au](http://www.3abnaustralia.org.au), [3abnplus.tv](http://3abnplus.tv) (scroll down to 3ABN Australia), or on the free phone App.
