The Incredible Journey

The Girl Who Talked to the Stars

Bett-Bett was a key character in the classic Australian books “We of the Never-Never” and “The Little Black Princess.” Who was this Little Black Princess of the Never-Never? This was a question that readers of the books asked for decades. The true identity of Bett-Bett stayed unknown until she herself revealed it more than 60 years after the books had first been published. For decades we thought she had been lost in the bush. This episode reveals Bett-Bett’s identity and the challenges she faced after leaving her home at Eley Station in the Northern Territory. Channel 9GEM will air this on Sunday, but you can watch online now at tij.tv or youtube.com/@TheIncredibleJourney

3ABN Now

How much can one man go through in life? It seems it is much more than we think—if he holds on to Jesus. **Caleb Christian** joins us with two powerful interviews about his life—both with and without Jesus. Caleb can testify that God never forces us to follow Him, but allows us to make our own choices, even to turn away from Him. However, God never gives up on us, but may allow us to go through terrible trouble while trying to get our attention. Watch part one of Caleb's amazing testimony, and make sure you watch part two next week to hear more of the incredible miracles he has witnessed in his life. Caleb is joined by **Rod Butler** who went through many of these situations with him. 3ABN Australia’s 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7:00pm, repeated Tues., 7:00pm and Wed., 9:00am. The guests this week are **Caleb Christian & Rod Butler** (Testimony 1). Next Sunday are also Caleb Christian & Rod Butler. You can also watch online at www.3abnaustralia.org.au, 3abnplus.tv scroll down to 3ABN Australia), or the free phone App.
