The Ultimate Father

God is the ultimate Father,
He is perfect.

In a world where there are
imperfect dads,
we can know the
perfect love of the
ultimate Heavenly Father.

To the Dads

The dads who receive crayon drawings & tooth-gapped smiles. The dads whose child can't show affection or appreciation, because they are too young, too sick, don't understand or aren't with you physically.

The grandfathers, great-grandfathers, brothers, uncles & cousins. The step-dads, adoptive dads & foster dads. The new dads, who are still trying to get the hang of it all. The dads who have lost a child, at any time, for any reason. The dads who have never had any children of their own, but have a whole classroom to care for. The dads waiting to be a dad, waiting for the right time, the right woman, the next doctor's appointment to find out why it hasn't happened yet, or on an IVF list. Those who have their dads & those who miss them.

You are valued & needed. You are the world to someone. You are honoured.

The Incredible Journey

Marathons and Ironmans are among the toughest athletic challenges, yet Team Hoyt, a father and son duo, defied the impossible. Rick, born with cerebral palsy and a quadriplegic, was pushed, pulled, and carried by his father Dick through over 1,000 races. Their devotion inspired millions with the motto, “Yes, you can.” It is one of the greatest love stories ever told, showing that with perseverance and determination, love truly conquers all.

3ABN Now

Caleb Christian and Rod Butler join us again this week to tell us more of Caleb's testimony and the amazing miracles that God has performed in his life — financial and medical. His life has been spared many times by Divine intervention, whether in hospital or in a foreign country. Through his perils he has been able to witness for God to others who were going through the same trials. Maybe you are going through trials in your life as well. Caleb's testimony could be just what you need to hear to give you faith that God does love you and hear you, and that He has a plan for you despite what you are going through. 3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 7:00pm, repeated Tues., 7:00pm and Wed., 9:00am. The guests this week are **Caleb Christian & Rod Butler** (Testimony 2). Next Sunday is Tim Maddocks. Apart from the VAST satellite, you can also watch online at www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.

A Digital Missionary?

The NNSW Conference is excited to be working with our church to help us get online so we can engage with our local community and increase our missional impact. As social media usage continues to grow, they want to make sure we're able to develop meaningful connections with our community by using tools like YouTube, Facebook and Instagram.

Social media will connect our community with us more than just on Thursdays and Sabbath.

A 'soft launch' has started, beginning with our social media journey, toward digital mission.

It's a simple 3-step process! Like ... Follow ... Share

For the moment, this is all we need to know. Some may already know how to do this, and it's OK if not – it's easy to learn how.

Of course, this is just the beginning of the journey and the Conference is looking forward to growing with us along the way. Together, we will reach people where they are and help them to know their Saviour.

Stay tuned for more ...
