## *The Incredible Journey:* **Creation – The Man who Captured the World**

The natural world is full of marvels. From towering mountains and vast forests to cascading waterfalls and snowy wonderlands, our planet overflows with breathtaking beauty. These scenes of nature bring balance to our lives and nourishment to our souls. We are the only creatures on earth who can be moved to tears by a sunset and marvel at the stars at night - who feel awe and humility before the spectacular beauty, power, and majesty of the natural world. In this program, we join filmmaker Henry Stober on a journey through the wonders of the natural world. We'll explore, dream, and perhaps, as we search the beauty of nature, we may find answers to some of life's biggest questions. 9GEM: Sunday, 26 October at 8:30am. YouTube: Watch anytime

In this second interview with **Ernie Hufnagl**, he shares some of the many miracles that God has wrought in his life. Things like the seven "aircraft" crashes that he survived, miracles of financial help, the tyre on his car, and many others. God is good and still works miracles, in our day, for us. We need to learn to recognise them and thank Him for looking after us in so many different ways. They can be a test of our devotion and surrender to God. While listening to Ernie, you may recognise some miracles in your own life, that you need to acknowledge and thank God for. 3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 8:00pm, repeated Tues., 8:00pm and Wed., 10:00am. The guest this Sunday **Ernie Hufnagl** (Miracles Of God). Next Sunday are John & Rosemary Malkiewicz.
