This is the final of these GC Session specials. Interviews for this week include Daniel Perrin, Prs Anthony Kent, Umesh Pokharel and Dan Augsburg. 3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 8:00pm, repeated Tues., 8:00pm and Wed., 10:00am The guests this week are **John & Rosemary Malkiewycz** (GC Session 3). The Incredible Journey

The Gipsy Moth and Aviation's Golden Age

In the early 20th century, England and Australia produced some of the world's greatest pioneering aviators. Among them were Amy Johnson, the first woman to fly solo from England to Australia, and Charles W. A. Scott, a record-breaking pilot whose daring flights captured global attention. Their stories are marked by courage, determination, and astonishing leaps of faith. Nearly a century after Scott's record flight, the very de Havilland Gipsy Moth he flew was painstakingly restored and returned to one of his original landing sites in Brisbane. Join Gary Kent as he shares the inspiring journeys of these pioneering aviators and the remarkable story of a Gipsy Moth that made history. 9GEM:
