3ABN

What happens when you pray? Does it really change anything? What happens when we pray for "bad" people—our enemies? What happened to Job when he prayed for his accusing "friends"? We will explore these questions about prayer, and many more, as we speak with **Dr Mark Turnbull**. Because of his own experiences and challenges in mission, he has light to shed on **the science of praying to the God of the Impossible**.

3ABN Australia's 1 hour interview program, 3ABN Now, can be viewed on 3ABN International every week on Sundays at 8:00pm, repeated Tues., 8:00pm and Wed., 10:00am. The guest this week is Dr Mark Turnbull (P.P.P.U.S.S.H.). Next Sunday is Jacob Atcheson.

You can also watch online at www.3abnaustralia.org.au, 3abnplus.tv (scroll down to 3ABN Australia), or on the free phone App.

The Incredible Journey Escape from North Korea

Step into one of the most volatile places on earth—the Korean Demilitarised Zone, the world's most militarised border, where North and South Korea have faced each other in a tense standoff since the 1953 armistice. In Panmunjom's Joint Security Area, where soldiers stand just metres apart, the world witnessed the dramatic 2017 escape of North Korean soldier Oh Chong-song, who fled under gunfire before collapsing on the southern side. His desperate dash is one of thousands, as countless North Koreans have risked everything for a chance at freedom. Join Gary Kent at the DMZ as he uncovers the stories behind this high-stakes border, the human cost of division, and the universal longing for freedom. 9GEM: Sunday, 14 December at 8:30am. YouTube: Watch any time after 6:30pm on Friday, 12 December.
