THE INCREDIBLE JOURNEY PRESENTS: The Odyssey of Troy – A Tale of Deception

Troy is one of history's most sensational deceptions. The wife of the Greek King was taken by the Trojan Prince Paris. For ten agonizing years, the Greek army was not able to conquer the walls of Troy. They then left, leaving behind a colossal hollow wooden horse filled with their greatest warriors. Ignoring warnings, the Trojans dragged it inside; that night the trap opened and the deception destroyed the city.

AUGUST BOOK OF THE MONTH: Humanity's Shared Quest - By Norel Iacob

"This is really a book for the seekers, for people who have questions and are in search for answers" Purpose: Humanity's Shared Quest features 20 authors, in 11 countries, who serve at universities and have doctoral degrees, or who are candidates for doctoral degrees. The volume is divided into five sections, and includes 11 concepts or notions from around the world on how people find purpose in life. Focused on an existential approach, helps us to come closer with other people who are not on the same page doctrinally speaking. "It helps us to find common ground," he said. The overall message at the end of the day is "Our true purpose can be found only in God."
