MUMS AT THE TABLE - Mums at the Table is an initiative of the Seventh-day Adventist Church across Australia and New Zealand that exists to provide support and resources for mums and young children. It serves as a vital "front door" for our local churches. By creating safe, non-judgemental, and supportive spaces both online and in person, this ministry meets community mothers exactly where they are, offering hope and connection that frequently leads to deeper spiritual conversations. As of today, we have 3 groups in the South Queensland Conference: Brisbane, Ipswich and Park Ridge. To find out more, check out: <https://mumsatthetable.com>

1926 - 2026

RIGHT AROUND AUSTRALIA
CENTENNIAL
1926

WHAT'S THE LINK BETWEEN A 100-YEAR-OLD CAR AND A HEALTHIER LIFE?

Well, in 1925, Nevill Westwood made history as the first person to drive right around Australia in a small Citroën 5CV, "Bubsie," proving such a journey was possible. In 1926, he repeated the feat in an Essex Super Six, this time with a greater focus on health and wellbeing. **Nevill's aim was to share practical ways to live a longer, healthier life.** Now, in 2026, The Incredible Journey retraces this second expedition, travelling around Australia in the spirit of Nevill's remarkable adventure.

Come and see this remarkable 100-year-old car and discover practical ways to live a longer, healthier life!
