Offering for 6th June - Avondale University

For more than 125 years, Avondale University has been equipping students for lives of service, mission, and leadership. Each year, students choose Avondale not just for a qualification, but for a Christ-centred community that nurtures growth, purpose, and belonging.

This year's Avondale Offering will support two key areas: essential campus infrastructure and innovative learning initiatives. Funds will help improve campus services and increase learning flexibility, while investing in programs that prepare graduates to serve in churches, schools, hospitals, and communities across the world.

Through your generosity, students are being transformed and equipped for meaningful service as ministers, teachers, nurses, counsellors, chaplains, and business professionals. Your support helps shape the next generation of leaders and strengthens the mission of the Seventh-day Adventist Church through the work of Avondale University.
